Smarter Digital Label Solution

**Digital Label  
Solution Provider**

Ningbo Darui Automation Equipment Co.,Ltd

# "ABOUT US"

**Darui** is a technical enterprise with a focus on label printing and related equipment manufacturing. Our goal is to simplify and enhance the label making industry with intelligent solutions, and we strive to provide high-quality products and services to help customers achieve business success.

We understand the unique needs of each customer and provide customized solutions to meet specific requirements. Darui enhances the market competitiveness of our customers.

Darui strives to be the world brand of digital label solutions.

**Professional  
Practical  
Focus**

# Digital Die-Cutter

## S5

### Equipment Features

- 1.Can save mostly the cost for cutting board and the adjusting testing materials, when without cutting mould. Precisely location, user-friendly operation system.
- 2.Fully operated by digital platform. Speed increased by 250%.
- 3.Functions: lamination, die cutting, waste discharge, slitting,etc.
- 4.Auto blade system, QR code multitask non-stop switch. Fastly order processing.

### Parameter Setting

Cutting Precision	0.1MM
Total Output	2.5KW
Die-cutting Speed	0-10/M
Weight	1300KG
Working Voltage	AC220V
Cutting Blades	8pcs(standard)
Slitting Knife	8pcs(standard)
Equipment Structure	Roll To Roll
Die-cutting Positioning	CCD Camera + QR Code Automatic Die Cutting
Meas	2050mm*1160mm*1650mm
Operating Surrounding	Humidity:40%-70% Temperature:20-30°C
Applicable Material	Stickers, Label Paper, PET And Other Film Label
